Growers of Organic Food Yukon

PLANT A ROW - GROW A ROW

invites all gardeners to grow an extra row of vegetables and donate the harvest to the Whitehorse Food Bank.

Your garden can help feed people in need

How can you help?

Whether your vegetable garden is large or small, grow a little extra and donate it to the **Whitehorse Food Bank**. Encourage your family, friends, and neighbours to do the same!

Which crops are best for donation?

All fresh produce is needed and will be appreciated! Plan to harvest and deliver your produce to the Whitehorse Food Bank in the same day to ensure that your donation is fresh.

How does it work?

Step 1

Plant your seeds and nurture your garden.

Step 2

Harvest your produce, wipe the excess soil off, and deliver the produce directly to the Whitehorse Food Bank during the drop-off hours.

Step 3

Feel good about helping and connecting with your community!

Drop-off Location

Whitehorse Food Bank
306 Alexander Street,
Whitehorse, YT

Drop-off Times

- **Monday & Wednesday**
1-4 pm
- **Tuesday & Thursday**
9-12 am
